

TERM PROJECT PILOT TEST

Instructions

- Conduct and **record** a pilot test for each user group
- Fill the table given below and upload¹ as a **PDF file**, naming the file as [pilot test] :

Pilot Test Participant	
Name, Surname	
User Group	<i>indicate which of your user group this participant belongs to</i>
Task Completion	
Task Definition	Comments
	+ <i>if the task was completed as you have aimed</i> or necessary comments <i>if the task was NOT completed as you have aimed</i>
Revisions on Test Plan	
<i>Indicate if you need to make revisions on the Test Plan you have submitted in Step 2</i>	
Digital sharing info of the recorded Pilot Test	<i>You need to record and share the Pilot test via a digital sharing tool</i>

¹ as of group works, one upload from each group is sufficient
